Find A High-Paying, Benefit-Loaded Government Job, NOW!

- ▶ Half of the federal work force is eligible for early or regular retirement

That Creates 1.3 million NEW jobs!

- ▶ The average annual salary for all federal employees exceeds \$67,000
- ▶ Jobs in all occupations exist stateside and in over 200 foreign countries
- ▶ Federal employment exceeds 2,700,000; 2% of the nation's total employment

Are your readers tired of not receiving the pay and benefits they desire...and deserve? Do they work for companies that don't appreciate what they bring to the table each and every day? Do they dream of a secure, high-paying job that offers advancement and training — and awards good performance? If they want to be gainfully employed in a dynamic environment with endless opportunities, they should explore working for Uncle Sam.

There are many opportunities for those who are willing to seek them out.

A million plus jobs must be filled as baby boomers say so long to their federal careers. The average annual federal workers compensation, pay plus benefits, is **\$106,871** compared to **\$53,288** for the private sector according to the *United States Bureau of Economic Analysis*. Student loan pay off, relocation, and cash incentives are now offered for hard to fill positions. Uncle Sam's liberal benefit package far exceeds what the average private sector company offers including two weeks paid sick leave, up to 5 weeks vacation, 10 paid holidays, health insurance, and an exceptional retirement package with a fixed annuity!

Job seekers looking for high-paying and secure government jobs can get an insider's perspective and help from the completely revised 10th edition of *The Book of U.S. Government Jobs* by Dennis V. Damp. The author and editors have a combined 110 years government service. This expanded edition includes the author's and editors' personal experiences. Job seekers will find everything needed to locate, apply for, and land federal government jobs including extensive federal style résumé writing guidance, tips on achieving higher ratings, and advice on getting your foot in the door. The abundant resources section feature easy-to-follow checklists, agency directory, skills index, and networking resources.
